Details: Cant take another version of Winter Wonderland lilting from your nearby retail shopping zone or office building? Want to smash the speakers when you hear a played-out rendition of The Christmas Song? Roast those nuts over an open fire and kick it new-school with Reindeer Buffet--a musical stocking over-stuffed with insanely good hooks and experimental pop sounds. Tie Records International is proud to announce the release of Reindeer Buffet, a compilation of original Christmas/holiday music. This is not your parents Johnny Mathis Christmas albumits not even your older sisters pop-stars-sing-traditional-Christmas-songs CD. Its a set of brand-new original, hilarious, touching, and rocking holiday music that will forge a new tradition in holiday music. From the leadoff track Chimney Sneak by Nicholas Markosa hooky gem reminiscent of Van Morrisons Wild Nighththrough to Mark Robinsons (of Unrest fame) hypnotic Merry Christmas, this is a tour-de-force that blows the lid off your expectations of holiday music. Along the way youll groove to Howie Kantooffs James Brown workout Eight Days (A Hannukah Song), turn up the volume for the riotous Christmas rap Gangsta Claus, stomp your foot to the swampy Delta Blues of Old Chickenheads Santa Claus, Santa Claus, and be touched by Jim Germains plaintive Chimney Song. Other notable contributors include Ralph Covert (of Ralphs World), Jordan, Jason Fickel, Bolo, and Anthus Web. The Reindeer series of original holiday-music compilations was started by Tie Records International founder Marcos Sueiro when, as a college student, he found himself in snowy Michigan, rather than his native Spain, for Christmas. Challenging a few friends to come up with new ideas for ways to sing about the holidays, the series of annual cassette tapes grew in breadth

and quality, and Reindeer Buffet is the star at the top of the tree. As always, the profits from this Reindeer release will benefit charity (Oxfam).
