Smooth, sultry pop r&b 10 MP3 Songs POP: with Electronic Production Details: Singer/songwriter Vasi has been compared to artists with such varied styles as Sade, Erykah Badu and Dido, a testament to her unique voice, equally fresh and innocent as it is moody and soulful. A fusion of pop and R&B with electronic undertones, Vasi's songs explore a range of styles, from jazzy soul, to dance, to ballads. Growing up in London and New York, Vasi always knew she wanted to be a singer and performer. After graduating from university, Vasi teamed up with producer Tony Mangurian, who produced albums for Luscious Jackson, and co-produced albums with Daniel Lanois. She began honing her songwriting skills, writing lyrics and melodies for her first album and performing live in New York City. Vasi was honored to be chosen to perform at the 2005 New England Music Expo and has been thrilling crowds in the NYC area with shows at the Canal Room, Crash Mansion, and the renowned Cutting Room.
