My music is a combination of, a youthful mature Balance of soulful R&B and Hip Hop from the heart base on my own personal experiences 15 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: R&B Pop Crossover Details: This is a compilation of experiences throughout my life's journey. True Story. Born Vincent Corey Walker on the west side of Chicago, I was raised in a single parent household by a seventeen-year-old strong-minded "Nubian GODDESS". Since I was 5 years old, I've been entertaining for family and friends singing and dancing. Being the oldest of five children attention was scarce, but as an entertainer I could not be denied. In High school I was labeled "King Of The Talent Shows". I've always been told that I'm destined for greatness. I believe that God has blessed me to inspire and encourage people. Formally I sang with a quartet dancing/singing group called R. Kelly M.G.M.. Yes before R. Kelly made it big, we won the grand prize of \$100,000 on a Show called "BIG BREAK", hosted By Natalie Cole in 1990, on FOX television at Universal Studios California. Since then I've been performing at clubs, concerts and different events, developing and redefining my skills as a singer, songwriter, and music producer. In 2004 I was the first runner up in a contest called the "Chicago Idol", hosted by the #1 R&B station in Chicago 107.5 WGCI. So come laugh, cry, love and sing with me as you experience my "Dues, Paid In Full".
