Celtic tribal bagpipe music with drums, Bronze age Irish horn and didgeridoo. 16 MP3 Songs WORLD: Celtic, FOLK: Power-folk Details: WHISKY SUPPER, is our fifth CD, "ALMOST LIVE" the companion to BANGER FOR BREAKFAST. We have found that our live recordings seem to really capture who we are, musically and dynamically. On this recording, we had Tyler Spencer re-record the didgeridoo parts - hence ALMOST LIVE. We are an interactive band; we try to engage with our audiences so an instrument or two might get quieter or louder at some points. Don't worry, one or another of us is probably playing on someone's table or having a quick 'beverage' in the middle of a set. While you may hear the odd slip here or there, with this recording you'll feel the energy of our live show!
