Amar Mehta: Hello everyone and welcome to the Marketing Masters Academys Masters Interview Series. I would like you to welcome Jeff Dedrick. It is an honor to interview a super brilliant marketer like Jeff. Jeff has been online for 3 years now, but the sites and services that he has been creating are a great service and offering to the Internet marketing community. In fact he started out from zero with no knowledge about Internet marketing. He has been a brilliant person offline. He has managed several businesses and one fine day, he thought of quitting everything and starting something online and since then, he has never looked back. He has been just going up the ladder and you see him at all popular seminars, conferences, and in the top 10 lists of people who are promoting all the product launches and his own products and services are top of the line. I consider him crazy. I told him that when I met him at Gateway Seminar, after spending thousands of dollars for creating those most valuable services for Internet marketing, he would consider giving them out free for everyone. The examples are like Viral Ebook explosion, Instant Bonus Page and his latest blockbuster Hidden Sales Project. ===== You have full master resell rights to this product.
