Kayden Gray wants to be left alone to hunt demons in peace! Peace eludes her when she is forced to hunt with her annoyingly attractive, would-be partner, Micah McKenzie. During their hunt they stumble upon a succubus who strips them of their restraint. After being forced into an intimacy that seemed inevitable, they must deal with the resulting emotional turmoil, and hunt down an ancient demon that is gaining power each time they fall into each other's embrace. As they battle death, the succubus, vampires and more, they learn more about one another than they ever expected. Author: Hampton, AJ
