Double Dare Lena Matthews Naughty Games, Book Three Paige Reyes is going to kill Shane Oxley if it's the last thing she does. Not only did the cold-hearted blackmailer force her to attend his thirtieth birthday party, he used her love for her brother to do it, giving her just one more reason to dislike him. Not that she needed it. No matter how justified Paige's reasons are for avoiding him, Shane refuses to be without her for another second. Thanks to a risky game of Double Dare three years ago, Shane made the biggest mistake of his life and lost Paige in the process. Now all he wants is an opportunity to make it right again. The birthday surprise is on Paige though. If Shane only has one chance with her, then he's going to do everything he can to change her heart. The gloves are off and everything is fair game.
