One result of the IMF's move to increased openness are independent external evaluations of important IMF policies, to complement its own in-house evaluations. This paper, prepared by a team of evaluators, includes in addition to the external evaluation, a statement by Bernd Esdar, Chairman of the Executive Director's group concerned with external evaluations; the summing up by IMF Managing Director Michel Camdessus of the Executive Board's discussion of the report; the terms of reference; and the IMF staff's response to the evaluation.
