

Femtosecond Laser Filamentation

[DOWNLOAD HERE](#)

Acknowledgement.- Preface.- Introduction.- Filamentation Physics.-Theory of Single Filamentation.- Multiple Filamentation.- Filamentation Nonlinear Optics: General.- Filamentation Nonlinear Optics: Third Harmonic Generation and Four-Wave-Mixing Inside a Filament.- Remote Sensing Using Filamentation.- Challenges Ahead. EAN/ISBN : 9781441906885 Publisher(s): Springer, Berlin Format: ePub/PDF

Author(s): Chin, See Leang
