Funky, rhythmic, dance music with world beat, perfect. 3 MP3 Songs in this album (14:51) ! Related styles: WORLD: World Fusion, URBAN/R&B: Funk People who are interested in Santana Sly The Family Stone Funkadelic should consider this download. Details: A J A is an experiment in sound...I am basically trying out different musicians, different genres so that I can create what I consider to be "Jazz"...although I know that "YAYA" to your ears will sound like funky-soul, to mine it sounds like jazz...I play with two very fine musicians in this album, and I think that we have created a fine example of soulful, funky jazz, which is really world beat with interesting poetry...
