Hit After Hit How would you like to hear hit after hit of the best reggaeton Dashitai has to offer on one CD? Well now you can with the best reggaeton compilation album of 2006. With the style of Daddy Yankee y Luny Tunes, "Area 504" and Dashitai keep you dancing all night long with his reggaeton beat alike no other. Mixed with electronic and latin sounds and percussion thatll make your heart bump. The Perfect Combination "Area 504" brings together the stars of Honduran Reggaeton in one production featuring DJ SY, Allan V, Chapa, Sherry y Sheila, Josh di Brasco and more. Party All Night All the songs, produced by Dashitai, will take you to the hottest reggaeton house party around and one youll never forget. Radio hits like "Me gusta el Pari", "Mientes", "Tu Piel Canela" and "Saciarme de Ti" have played alongside artists such as Daddy Yankee and Wisin y Yandel and will leave you singing and burning with the heat of this new latin sound. "Area 504 is the album of the year!!! The best reggaeton from Honduras" Jorge Diaz - Tegucigalpa, Honduras "This is the best reggaeton album Ive heard. Competes with Daddy Yankee and Luny Tunes." Maria Gonzalez - Barcelona, Spain BIO - ENGLISH Dashitai was born January 5, 1982 en Tegucigalpa, Honduras. The artist/producer first hit the music scene in 2001 making reggaeton beats and co-producing DJ SYs first records. Dashitai studied at Berklee College of Music where he immersed himself in audio production studies and since then has worked with a number of artists and producers in reggaeton as well Hip-Hop, R&B artists and rock bands. Dashitai just dropped Area 504 his most awaited album of 2006.

The album where Dashitai makes his debut as solo artist contains 17 tracks and includes hits like Me Gusta el Pari, Me Provocas and Mi Camello among others. All songs were produced and recorded by Dashitai in M.O.B. Studios in San Pedro Sula, Honduras and features artists such as DJ SY, Allan V, Chapa, Josh Di Brasco, Sherry Sheila and Javi Queso among others. Along with Area 504, Dashitai has recorded and collaborated on 4 albums with long time friend and producer/artist DJ SY as well as DJ Blass, Alberto Stylee, and others. The talented producer co-produced the album Doggystyle Sexxx and El Mensajero which took DJ SY to the top of the charts with his song El Misterio. Dashitai's unique blend of reggaeton mixed with hip hop and electronic sounds has gotten his music and beats played on radio stations and clubs all around Latin America. Dashitai has a long history touring and in 2003-04 the Gira Tumbow tour took Dashitai to countless cities in Honduras, Central America and the United States. With the launching of Area 504 (Honduras area code), Dashitai plans to go places where reggaeton hasn't been heard yet making fans all around the world. Dashitai currently is promoting his new material and plans a promotional tour of Area 504 taking Honduran reggaeton to the masses. The acceptance of his fans and the media has been enormous, which has motivated Dashitai to keep on sharing his talent with us and producing his next record. The sky is the limit for this artist/producer and Dashitai plans to get as far as he can. Currently is featuring in and producing a remix for Estefano (famous Latin producer and songwriter launching his new album). More of Dashitai soon.
