Soft relaxing music with harp and tubular bells 14 MP3 Songs NEW AGE: Ambient, NEW AGE: Meditation Details: Floating Music_No Strings Attached is a journey into relaxation with concert harp and tubular bells. Each track is another expression of the relaxed mind. Close your eyes and let the music lift you off of the couch, the floor, or whatever you are resting on. This is music of the heart, music of the inner mind; soft and steady, a little lyrical and at times surprising. This music is great with hot coffee and rain, snow and ice! As usual, this work is performed by the Ensemble de Luz' for Annuit Music. More information about that group is on my website. About The Ensemble' de Luz'. It is made up of two Roland Keyboards and a Digital Grand. Additional Soft Synths are provided by Cakewalk Rapture, Garritan Personal Orchestra, and Cameleon 5000. All wrapped into 16 track digital mixers. About the Composer: Michelle Ende' was born in Chicago and lives in Lutz, Florida outside the noise of Tampa. She is a professor of International Economics and works for the State of Florida. Her music is almost as old as she is, starting composition and studies at the age of six, she is well versed in music theory, harmony, and orchestration. Her website explains her work in both Electronic and Symphonic, as well as Instrumental. The Website is annuitmusic.com
