

## Mp3 Ivy - Be About It

[DOWNLOAD HERE](#)

In a word Hot. This is your chance to checkout one of R&B's hottest singers. You won't be dissappointed. 6 MP3 Songs URBAN/R&B: R&B Rap mix, URBAN/R&B: Soul Details: "MOVE over Mary, Back up Beyond the Princess of Hip Hop Soul is about to be made QUEEN" Philly's Hottest New Diamond's Debut EP "Be About It" Hits everywhere.... Check out Ivy's latest EP "Be About It". This EP depicts the reality of streets with amazing soul stirring vocals. The new queen of hip-hop soul is here! "Be About It" will immerse the listener in a world where you have to hustle to survive and where one wrong step could mean your demise. Refreshingly, Ivy chronicles the realities that we can relate with, using a combination of Philly harmonics, up and coming producers, rappers and established performers which include artists such as Q-Tip, Biz Markie, Omar, Robbie Forjour (Drummer for Courtney Pine), Groove Collective, Julie Dexter, Trevor Jacob and Sunay Sulliman (Loose Ends), All Purpis of 84 and Sparky (Procryptics)! With the successes of Floetry and Ms Dynamite, Ivy is the latest instalment of transatlantic collaborations and the "Be About It EP" provides true music lovers with a taste things to come. Sexy, independent and intelligent Ivy is definitely one to watch. Her street-soul style has captivated audiences and she has a steadily growing fan base which reaches as far as Japan! Ivy is a "hip hop-soul sista" who knows how to rock the crowd! She was born and raised in Philadelphia home of Phillysoul, which has produced artists such as Jill Scott, Musiq Soulchild and Bilal. Philly's finest is now residing in London! She's the sister of DMC World Champion, DJ Cash Money and continues her roots of Hip Hop culture through her blend of street style and swirling, sweet vocals. She has brought the house down at venues such as the Jazz Caf (London-UK), Lovebox Festival (London-UK), Global Festival (Stratford Upon Avon-UK), Ocean Bar (London-UK), Club Tantra (London-UK), Spot Bar (London-UK), Ion Bar (London-UK), Nell's Bar (London-UK), Loop Bar (London-UK), Black Lilly (Phila. PA), Lyricist Lounge (NY), and Peppermint

Lounge (Newark, NJ). She recently appeared on the Radio 1 Westwood Show (London-UK)! At present Ivy is recording with Producers Afreex, for the Union Black Compilation LP. Recording alongside Ty, Estelle, Omar, Shola Ama, Terry Walker and many others to mention. For more info check out the website, union-black Watch this space for Ivy's new album entitled "Hold Me Down" for 2005. On production the legendary DJ Cash Money, Omar, Scratch Professor, Kazo (JAPAN) and others to mention.
