Jigsaw taking hip/hop to the next level with his slick lyrics and mind blowing metaphors he is a force to be reckoned with in todays rap game 14 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: Rap Details: Rodney L. Preston a.k.a "Klamity The Jigsaw" born February 3, 1979 in Baltimore MD.graduated from Milford Mill Academy in 1998 . I have one brother his name is Charlie Preston III. I was first introduced to Hip/Hop in 1989 when my brother was rapping with his group; seeing my brother rap made me want to try so, through out the years I began to master it. I was in several rap groups such as the Lost Souls, State Of Mind, Nasty Nickel, PMG, and the most successful group I've been apart of was Unknown Source. My experiences with Unknown Source were signing with Major League Records which helped our group to perform and open up for nationally known recording artist like Nas in 20003 at the Patapsco Arena. I performed at Morgan States fashion show, Latin Palace, Afram 2000, Eubie Blake Center, Five Seasons and Black Lilly in Philly.Eventually I would become a solo artist and sign with Master Mind Productions a independent label in Baltimore to pursue a successful career in the rap game. The Hip/Hop artists who inspired me were Wu tang, Nas, Mob Deep, Jay-z, Biggie, and the roots. My goals in life are to make it to the kingdom of God, give wisdom and knowledge to my kids so they can grow up intelligent and righteous, also to take Hip/Hop to another level.
