Two song pre-release from my upcoming Country CD; a return to what made Country music such a great genre. I'm willing to bet that if you don't love these songs, "You Don't Love Country Music". Great lyrics and music that will keep you singing all day 2 MP3 Songs in this album (6:03) ! Related styles:

COUNTRY: Country Pop, COUNTRY: Country Rock People who are interested in George Strait Alan Jackson Tim McGraw should consider this download. Details: I love great Country music and lately it has taken a different path. I met an incredible writer/composer named James B. Williamson who shares that same love except he's not a performer. He sent me a few of his songs and sparks flew. We knew we had a great start to a great album. I had a few songs as well, so I began to produce the project. This is a pre-release of two songs from the up-coming album entitled "Somethin' In Her Genes". It's a return to the best of what country music represents.
