A Blend of several musical styles with an overall spiritual country feel. 11 MP3 Songs COUNTRY: Country Folk, FOLK: Modern Folk Details: Marilyn Rose's debut CD "Spirit Whispers" features a blend of several musical styles with an overall country spiritual feel. As a Singer-Songwriter, Marilyn Rose writes and performs beautiful inspirational music that touches the hearts souls of those who listen...and listen they do. Her voice captivates her audience as she sings her songs with heartfelt meaning and purpose. Her songs vary from uptempo country, to ballads, contemporary inspirational/spiritual music. The title song, "Spirit Whispers", reflects her aboriginal spirituality, and the CD also features the theme song "Let's Go The Distance", which was written for the Canadian Paraplegic Association of Alberta. Whether it's tapping your toe to the upbeat tempo of "One More Mile To Go", drying your tears to "In the Meantime", or reflecting on your own spiritual journey with "I Surrender", you are sure to hear a song on the "Spirit Whispers CD", that was written just for you...
