Political ranting 18 MP3 Songs FOLK: Political, FOLK: Angry Details: Peter Tracy lives in Northern California and works for the County of Sonoma with the mentally ill. He is married and has two sons, neither one of which has any intention of joining the military. Both would leave the country if drafted. Peter has been playing guitar all his life, but only started writing songs a couple of years ago after joining the Veterans for Peace on their bus trip to Boston for the Democratic Convention in 2004. He is a Vietnam Vet and an active member of Veterans for Peace. Lyrics included This is Peters second CD, that includes such memorable titles as: This is Our Country Such a leap of faithwritten one week before the 06 election. Guess there were just too many people paying attention to steal another one! Hard Work Written in response to Bushs repeated mantra that what were doing in Iraq is hard work. this song is about what many vets, including myself, go through when they come home from a war. Curious George This pathetic little monkey isnt really curious at all. Somebody should Do Something Written to make some (other) folks feel more compelled to do what they can to stop our country from becoming a fascist dictatorship Priorities About using gay marriage and flag burning as red herrings to get those evangelicals out to vote. I Want a President Just daydreaming about qualities a president should have.
