An eclectic voyage encompassing elements of Rock, Jazz, Blues, Experimental, Pop, and a myriad of different colors blend into a hybrid sound, for the more adventurous. Outstanding playing and production make this a very enjoyable trip. 15 MP3 Songs JAZZ: Jazz Fusion, ELECTRONIC: Experimental Details: The Purple Plateau is a unique journey featuring many different styles bridging upon each other. This jazz/electronic hybrid mish-mash of colliding colors also stems dream-like instances from within the controlled chaos, and vibrantly stimulates a lucid and calming control. This wonderfully produced and mixed exploration of rhythm and contrast opens your mind to new ideas and perspectives within the confines of the "what THEY think you should be listening to" syndrome. The boundaries are merely conspicuous by their absence. Explore the Purple Plateau.
