Americana / Alt Country 12 MP3 Songs COUNTRY: Americana, COUNTRY: Alt-Country Details: I have been a professional musician for nearly 40 years and spent most of the 70s touring with the regionally successful Live Wire Choir, a newgrass and western swing group. With several solo albums. my most recent recordings are Talk to the Paw (2005), Lies of Love (2006) "Glory Days" (2007). The Rocketdogs is my latest venture. With my feet in both the electric and acoustic world I need to satisfy both outlets and this new disc is one that I've wanted to make for a while. So with a few of my good musician friends: Ted Lowe on rhythm acoustic guitar; Mike Freemole on bass; Bruce Threlkeld on drums and Larry Chung on pedal steel guitar, I've bent them to my will one more time for this latest batch of songs. I think of these songs as kind of soap-opera songs with an up-tempo party feel and on the liner notes I've suggested to "Please play this record loud" People who are interested in Tom Petty Robbie Fulks Buddy Miller should consider this download.
