Jazziz reviewed the cd Reincarnation, "...guitarist Gregory James displays a remarkable blend of influences and styles; spoken-word vocals drive the hip-hop influenced, funky jazz/fusion, turntables, oh my." 12 MP3 Songs JAZZ: Jazz Fusion, SPOKEN WORD: With Music Details: Urban groove, Northern Indian, Folk, Brazilian percussion and classic Jazz, this music threads together the sounds of where gypsies traveled with a modern urban sound. Mixing the saz and saxophone, vinyl, violin and voice. Breathing Rumi and incanting America. It is at the end of the line that improvisation begins. Guitarist Gregory James composes arrangements that reflect freedom and change. He is joined by Kai Eckhardt on bass, formerly of the John McLaughlin Trio, and Deszon Claiborne on drums. Craig Easley reads his words to the vinyl undertones of DJ Fly, while Peter Horvath, Jenny Scheinman, Catie Murphy and Baron Shul intertwine string, wind and keyboard melodies. Brazilian musician Celia Malheiros adds percussion to the tone of Rasaki Aladokun talking drum and congas.
