

# Mp3 Throbbing Mattress Kitten - Archaeology Confession 192

[DOWNLOAD HERE](#)

A field recording recovered many years after the crumbling of modern civilization, this document chronicles the experience of one man's journey before, during, and after the Fall. 7 MP3 Songs in this album (27:15) ! Related styles: FOLK: Field Recordings, COUNTRY: Old-Timey Details: Throbbing Mattress Kitten presents this document of one man's journey before, during, and after the fall of civilization. Recovered from a time capsule, after humanity stabilized enough to once again care about its history, this record begins with these words from its author. "we all thought the world would end with a bang we were wrong, it ended in fire and ice the artifice we built came tumbling down and under the rubble we were left to whimper quietly this is just one man's journal slices of life before, during and after the fall whoever finds this confession i hope our apology does not leave a bitter taste in your mouth"
