

Mp3 Wayne Riker - Fretology

[DOWNLOAD HERE](#)

A broad spectrum of original instrumental compositions, highlighted by musical elements of blues, jazz, folk, reggae and classical styles. 12 MP3 Songs in this album (38:51) ! Related styles: EASY LISTENING: Instrumental Pop, POP: Ambient Pop Details: Fretology is Wayne Riker's second solo acoustic instrumental disk,featuring a wide range of musical influences,including blues,jazz,folk,reggae,funk and classical styles throughout these twelve original compositions. Using three different guitars and eight unique guitar tunings,including standard tuning,each tune becomes strikingly different from the next with an eclectic array of melodies,chord voicings and rhythms. Riker is well known for his many guitar instructional books with Alfred Publishing's Workshop Arts series,in addition to his numerous instructional columns with Guitar Player,Acoustic Guitar and Acoustic Musician magazines. His performing credits span a forty year career on local and national stages with numerous groups and shows,playing all styles of music.
