

# Mp3 Yoshirou Okana - The Collection [re-issue]

[DOWNLOAD HERE](#)

Instrumental trip-hop with a side of soul and a dab of retro jazz. 9 MP3 Songs in this album (20:44) !  
Related styles: ELECTRONIC: Acid Jazz, EASY LISTENING: Lounge People who are interested in Nightmares on Wax DJ Krush Madlib should consider this download. Details: Yoshirou is a computer musician based in NYC. He began releasing his music in 2004. After becoming dismayed at the expense and politics of commercial studios, he started producing tracks for underground singers from his home. During this time he started collecting old computer modules and second-hand MIDI controllers to focus entirely on computer based music production at the latter part of his career.
