When Kylie Falls agrees to a last-minute date with one of her sister's clients, she'd never have guessed that a man in need of matchmaking services would be as deliciously hot as Cole Sullivan. Too bad she's soon on her way out of town for a bigger and better career. Of course, she does have a few weeks and he seems more than open to a brief fling. They both agree their insatiable appetite for each other is temporary--the result of too much work and not enough fun. Except that the more time they steal from their schedules to meet between the sheets, the tighter the sexual tension gets. And with Kylie's departure looming, Cole makes her an offer she knows she should refuse...even though she's tempted to accept.
