Ellery James, a celebrated author of historical romances, shuns the spotlight, preferring the solitude of his small town sanctuary to risking media scrutiny. He harbors a closely guarded secret that is not only the bane of his existence, but the source and inspiration of his bestsellers. His strictly proscribed existence goes south and sideways when the grimly dangerous Boone Dantrell blazes into Ellery's life. Ellery is alarmed to experience a tentative but undeniable connection to the haunted, mysterious stranger with secrets of his own, and the burgeoning attraction between them grows almost as swiftly as the danger dogging Boone. They've barely met before their secrets and worlds collide, thrusting them both into unimaginable peril. The battle they must wage together spans this world-and the next-and losing it could cost them not only their lives, but their very souls. Author: Emrys, Phoenix Publisher: Dreamspinner Press
