Tyler and Dan are heading off on a vacation in this sequel to Wild Raspberries, but life has a way of throwing a wrench into even the best laid plans. All work and no play makes Dan restless and bored, waiting for Tyler to complete a task for his former boss, Cole. The job is an important one, for sure. Tyler is looking for a traitor, responsible for the deaths of several agents. That doesn't make being ignored any easier to deal with, and Dan wonders if their relationship is strong enough to last through the lull. When the job finally ends, Dan is more than ready to go with Tyler to see the sights. He expects beaches, mountains, sun and surf. Instead, Dan is thrown headlong into Tyler's world, where death is a heartbeat away, not a lifetime, and the man he loves is the one dealing it out. Can Dan learn to live with what he finds out, or will he have to make his way back to a life that he ran away from? Author: Davitt, Jane
