Alien Overnight Robin L. Rotham Commander Kellen is on Earth recruiting women for his planet's sex-starved males. Not particularly excited by human anatomy, he seeks nothing more for himself than the occasional slaking of his needs with some anonymous female-which shouldn't be a problem, since she'll have to face the other way to accommodate his special anatomical needs. Dr. Monica Teague is thrilled with her ten-year assignment caring for Garathan's sexual recruits. Her quirky looks and childish excuse for a body guarantee she'll never be expected to put out-which is kind of a bummer, now that she's up to her armpits in horny alien beefcake. But, when an overdose of alien pheromones makes Monica drunk off her ass, Kellen quickly claims the odd little doctor before another Garathani realizes what she is. The overdose sparks a violent chain reaction in her, and when Monica finally wakes, she's got the body of a porn star-and two sexy alien mates who are determined to tame her. If only she were as determined not to let them.Author: Rotham, Robin, L.
