The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions. These scholars have approaches and concerns that often are poles apart. Yet they share two basic convictions: biblical interpretation always matters; and reading the Bible "with others" is highly rewarding. Each of the short commentaries of the Global Bible Commentary is a readily accessible guide for reading a biblical book. Written for undergraduate and seminary students and their teachers, as well as for pastors, priests, and Adult Sunday School classes, it introduces the users to the main features of the biblical book and its content. Yet each short commentary does more. It also brings us a precious gift, namely the opportunity of reading this biblical book as if for the first time. By making explicit the specific context and the concerns from which she/he reads the Bible, the scholar points out to us the significance of aspects of the biblical text that we simply took for granted or overlooked. If any book demonstrates the value of cultural criticism and the importance of particularity in interpretation, this is it! Scholars from diverse social locations in every continent bring their distinctive context to bear on the act of interpreting. In so doing, they shed eye-opening light on the biblical texts. The resulting critical dialogue with the Bible exposes the oppressive as well as the liberating dynamics of the texts while at the same time showing how the Bible might address the social, political, cultural, and economic dynamics of our world today. This collection can change the way you read the Bible-scholars and students, clergy and laity alike. -David Rhoads, Professor of New Testament, Lutheran School of Theology, Chicago, IL Contributors: Daniel Patte, Professor of New TestamenAuthor: Patte, Daniel Publisher: Abingdon Press Illustration: N Language: ENG Title: Global Bible Commentary Pages: 00000 (Encrypted EPUB) On Sale: 2004-10-01 SKU-13/ISBN: 9780687064038 Category: Religion : Biblical Commentary - General
