Ok, there are several ways you can do.. It is highly recommended that you do your own thing, that is why I have given you two options. 1) Do your own thing! I have included the raw files so you can make your own review site with wordpress or whatever you like, they are included in the folders: autoresponders report articles - word - text review 2) You can use the premade review site that has been supplied for you.

Just upload it and configure the settings via the Installation file. ReviewSite Good luck and much success to you..
