A major new work from the award-winning scholar and cultural commentator. The Irish Writer and the World is a major new book by one of Ireland's most prominent scholars and cultural commentators. Declan Kiberd, author of the award-winning Irish Classics and Inventing Ireland, here synthesises the themes that have occupied him throughout his career as a leading critic of Irish literature and culture. Kiberd argues that political conflict between Ireland and England ultimately resulted in cultural confluence and that writing in the Irish language was hugely influenced by the English literary tradition. He continues his exploration of the role of Irish politics and culture in a decolonising world, and covers Anglo-Irish literature, the fate of the Irish language and the Celtic Tiger. This fascinating collection of Kiberd's work demonstrates the extraordinary range, astuteness and wit that have made him a defining voice in Irish studies and beyond, and will bring his work to new audiences across the world.
