Great for kids ages 0-99. 18 MP3 Songs KIDS/FAMILY: Children's Storytelling, FOLK: Gentle Details: 'Allie-Kat Music' News Flash Hey-O Friends! January '04 It's me.....singer / songwriter, Allie Weiler.....saying..... "Wa-hoo! I did it! What did I do??? I've finally finished my 2nd children's CD I've been promising you for years!!! The feedback coming in from wonderful listeners is so very supportive and encouraging. It makes me happy to know that my hard work is getting the fan's stamp of approval. Can you say, "that is music to my ears?" Well it is! Releasing my first CD called "We Don't Monkey Around" was a blast but "catching" this dream of making another totally original CD for you has been such an incredible journey. It took me 4 long years to write, record, produce and duplicate "Chase Your Dream. " So, after all that time and hard work.....I hope you like it!!!!!! (Special thanks to those of you who have already purchased it! Please continue to spread the word to all of your 'kid-core' friends and family!) We had soooooooooooooo much fun recording this album. Yes, it's REALLY silly so if you decide to purchase it, get ready to let the child in you come out to play so you can totally enjoy my songs and stories. Speaking of songs stories, I brought lots of my friends and family to the studio so you wouldn't get bored just hearing my voice. Oh...and be sure to check out the cover art on the CD. My cousin did the original drawings!!! Aren't they cool? Just a word of caution..... my music is not only entertaining, but if you aren't careful, you could actually learn something while you listen. Dance, sing, twist and shout but, most of all what I'd like you to do while you play my music is, JUST HAVE FUN :)!!!!!!!!!!!!!! It is truly a dream come true to be sharing my music again with you! But before I say good-bye, I'd like to pass along two wishes to you. My 1st wish for you is: always remember to 'Chase Your Dream!' And my 2nd wish for you is: 'May

There Always be Sunshine' in your corner of the world! Keep in touch, &..... Spread Peace! Allie :) P.S.
