Details: My Name is Brian Wyer I am 25 years old and currently live in North Carolina. I was raised in Chouteau Ok and served in the Unites States Marine Corps for four years after High School. While in the Marine Corps I married my wonderful wife Sandi and we had a beautiful little Girl we named Haley. After I got out of the Corps my wife was deployed to Afghanistan and while she was gone I jumped at the chance to record my first album. All of the songs on this album are written by me except for one "SIMPLE SOUTHERN MAN" track # 5 was written by Carl Stremmel and my good friend Leon Venerable who you can also find here on Cd baby. I hope you have as much fun dancing to the songs as I had writing them and getting them on this album for you. Thanks for the support, Brian Wyer
