Romantic, lyrical, healing new age piano 16 MP3 Songs NEW AGE: Relaxation, EASY LISTENING: Mood Music Details: I have been performing for over 30 years; began writing songs in 1973. In 1978 I began composing instrumental selections with an interest in writing music for films, which I began doing a few years later. I composed the music scores for several video productions - most notably, Together in Faith, which won a 1994 Gabriel Award, and was nominated for a regional Emmy Award. In 1996, I produced a CD of original compositions entitled, "Moon On the Lake". The CD also contains two songs, for which I wrote the lyrics as well. I have been a music minister for over 16 years, and have performed music for hundreds of weddings (either for ceremonies and/or dinner music for receptions). I have also entertained at a number of country clubs, convention centers, etc. and even participated in a benefit concert held outside Pittsburgh, Pennsylvania, along with my sisters Paula Cheri. On October 24th of 2003, I performed at the renowned Sheldon Concert Hall in St. Louis, around the corner from the fabulous Fox Theatre, making my concert debut. Another concert is tentatively scheduled for June 28th, 2008. People who are interested in George Winston Jim Brickman should consider this download.
