Dark, rough, alt-country folk...like driving through Wyoming at night with Townes Van Zandt at the wheel, in the bckseat, Leonard Cohen is arguing with Thomas Wolfe about going home.... to cbgbs. 9 MP3 Songs COUNTRY: Modern Country, FOLK: Angry Details: Eddie Holly's first solo record...."if you stumble, stumble lightly" is now available on MOHONOHO records. The frontman of Mother Holly has recently finished his first full length recording. Recorded at Soundstream Studios in Northampton, MA with producer Jayce DeSantis. The Album was recorded and mixed in 3 days. The band on the record include former Mother Holly bandmates..Tao Jones and Dave Keating along with bass player Jim-Joe Greedy of Angry Johnny and the Killbillies and Pajama Slave Dancers. It is a very minimal record. Intentionally recorded with little effects and one or two takes to keep the spur of the moment feeling. The record is meant to be low-fi and dark. If your gonna stumble...for Christ's sake, stumble lightly.
