Deep acoustic groove with a funky Latin kick. Songwriting that makes you think and feel at the same time. 13 MP3 Songs FOLK: like Joni, JAZZ: Jazz Vocals Details: What happens when you stir a pot of soulful melodies with a funky acoustic guitar, put it over the flame of some deep latin rhythms and serve it with intimate vocals? You get "Tinted Glass," Erika Lockett's debut solo album. Smokey vocals over a deeply grooving guitar. Stories and melodies that keep speaking to you long after the CD has stopped playing. It's like Joni Mitchell got together with Tom Jobim and decided to spend a month in Cuba. Erika was born in Mexico, raised in Venezuela and Brazil, played in the Paris subways as a teenager and has spent the last nine years touring in the jazz circuit with her world fusion band, Wild Mango. After three albums with the band, she decided to venture out on her own and released "Tinted Glass" in February 2000.
