

# Mp3 Helen Rivero - Rivero Spanish, Sephardic And Original Songs

[DOWNLOAD HERE](#)

Folk songs from Jewish Spain, contemporary personal interpretations. 12 MP3 Songs FOLK: Traditional Folk, WORLD: World Traditions Details: "Rivero is a singer who is nothing if not unique. She uses her voice as a supple musical instrument, effortlessly darting from the lyric to vocalese and sound effects, painting a striking, often haunting, series of mini-paintings... " Mark D Moss Sing Out! Voiceplay diva, Helen Rivero is an award-winning performer in the world music scene. Her singing style combines elements of jazz, cabaret, traditional music and experimental performance, described as intense and humorous. This is Helen's first CD release. It contains ancient Sephardic (Judeo-Spanish) songs of love and loss, which traverse the Mediterranean and the Middle East, and was released in 2001. In 2005, a collaboration with Ian Blake led to the recording of LUMINOUS, a collection of lullabies from around the world; dreams, charms and trance: music of the moment. Helen's new album release in 2007, Yes capitan. All original songs. a more zany and fun record. Helens music appears on numerous compilation CDs. Performing in Australia and overseas, Helen also offers vocal workshops. more information at [helenrivero.com](http://helenrivero.com)
