Details: Hy3rid, pronounced hybrid, is group composed by three Latino brothers. Going by their stage name; Diablo, Robb and Zeuz came from Guadalajara Jalisco Mexico to the heart of the entertainment industry, Los Angeles, in search of the opportunity to show the World their music. Their mixture of hip hop, rock and Latin flavor earned them the name Hy3rid. Robb joined his school's choir programs and participated in many talent shows since he was 8 years old; Zeuz was envied by his school mates for his rapping abilities, and Diablo graduated in Music Production and Music Engineering; therefore, in 2001 they combined their unique talents to form Hy3rid. The first three years could be considered a learning process. During that time Hy3rid released two demo albums, "Hy3rid - Rockbottom" and "Hy3rid - Myrtle." Although these albums where not a true success, it gave Diablo, Robb and Zeuz a chance to find their style; both in music and in presence. In 2005, Hy3rid saved up its earnings to record, mix and master their first EP, "Hy3rid - SP (Sneak Peak)", in a professional studio in Hollywood. The finished product wasn't to the liking of Robb, Zeuz or Diablo, and since they had no more money to go back and fix it; they decided to shelve it and re-evaluate the road they were taking. These artists came to the conclusion that "if you want things done the way you like it; you have to do it yourself." Therefore, they worked hard and once again saved up enough money to purchase their own studio. In 2006, after their studio was finished and ready to take advantage of, they locked themselves in it to produce their long awaited EP. With unlimited time in their hands, Hy3rid worked meticulously in every aspect of the album; from the album cover to the website to the mixing and mastering. In February 28, 2007, their EP "Hy3rid - H3" was released with such success that Hy3rid set out to find band members to

perform throughout Southern California. Now Hy3rid is also formed by Ponja in the drums, Pierre in the guitar, Guz in the Bass and Diablo, Robb and Zeuz in the vocals. Now, with two music videos out "Viridiana" and "Querido Santa," Hy3rid is getting ready to release their first complete all Spanish album in spring 2009. They already released their first single "Musica en tu Piel" and a music video is anticipated later this year ----- Hy3rid, pronunciado 'jaibrid', es un grupo compuesto por tres hermanos Latinos; Diablo, Robb y Zeuz, que son sus nombres artsticos. Ellos vinieron de Guadalajara Jalisco Mxico al corazn del medio artstico, Los ngeles, en bsqueda de la oportunidad de que su msica se escuche en el mundo entero. Su mezcla de hip hop, rock y sabor Latino les dio el nombre Hy3rid (hibrido). Robb formo parte del coro de la escuela y participo en varios eventos de talento desde que tena 8 aos, Zeuz era envidiado en la escuela por su talento lingstico como rapero, y Diablo se gradu como Productor de Msica y como Ingeniero en Msica; y en el 2001 combinaron sus talentos para formar Hy3rid. Los primeros tres aos se pueden considerar como un proceso de aprendizaje. Durante ese tiempo Hy3rid saco dos lbumes demo, "Hy3rid - Rockbottom" y "Hy3rid - Myrtle." Aunque estos lbumes no fueron gran xito, les dio a Diablo, Robb y Zeuz la oportunidad de encontrar su estilo; en la msica y en su presencia. En el 2005, Hy3rid ahorro sus ganancias para grabar, mezclar, y maestrear su primer EP, "Hy3rid - SP (Sneak Peak)," en un estudio profesional en Hollywood. El producto final no fue del gusto de Robb, Zeuz o Diablo, y como ya no tenan ms dinero para repararlo, decidieron guardar el lbum para jams sacarlo y a la vez re-evaluar el camino que estaban tomando. Estos artistas llegaron a la conclusin que "si quieres que las cosas salgan como quieres, tienes que hacerlo tu mismo." As que una vez ms, trabajaron duro y ahorraron lo suficiente para comprar su propio estudio. En el 2006, despues que su estudio fuese terminado, se encerraron en l para producir su tan esperado EP. Con tiempo ilimitado en sus manos, Hy3rid trabajo meticulosamente en cada aspecto del lbum; desde la portada hasta la pgina web hasta la mezcla y la maestra. En Febrero 28, 2007, su EP "Hy3rid - H3" sali a la venta con tan buen xito que Hy3rid sali en bsqueda de msicos para presentarse en todo el sur de California. Ahora Hy3rid tambien es formado por Gus en la batera, Pierre en la guitarra, Guz en el bajo, y Robb, Zeuz y Diablo en las vocales. Ahora, con dos videos musicales "Viridiana" y "Querido Santa," Hy3rid se est preparando para sacar su primer lbum completo en espaol en la primavera del 2009.
