mixture of styles, songs that quickly become old friends, blues, folk, alternative, gospel... worth your time. 14 MP3 Songs FOLK: Modern Folk, BLUES: Acoustic Blues Details: Hearing Jerry's music on the radio among such artists as Willie Nelson, Van Morrison, or Dar Williams is a perfect fit. The styles and influences of Folk/Americana performers come through but this is definitely Jerry's music. In the true singer-songwriter tradition each song on his CD "Simplicity" delivers strong lyrics, real-tone vocals and smooth licks with great chords flowing out from his guitar. All 14 songs give the listener music worth their time. Here's a quick look at each one. 1. "Late Christmas Eve" - This song plays as well in July as it does in December, not a ho ho ho to it. 2. "Gypsy Love" - Bluesy tune about loving someone the best you can. 3. "Raining Inside" - The title lets you know this is the blues. 4. "Faded Postcard" - Looking back at youth while keeping it. 5. "Common Cloth" - Bluegrass/Gospel song about Moms, their love and their faith. 6. "Deep Inside" - Some lost loves never leave you. 7. "John Annie" - Love goes haywire in a rock-a-billy ballad. 8. "Everything's Alright" - Just telling your lover that together you'll make it through anything. 9. "This Is Your Life" - Fly when it's time, land when it's right. Live YOUR life YOUR way. 10. "Angel Of Love" - Finding your true soul-love just in time. 11. "South Texas Way" - A beautiful senorita, Tequila and escaping the rat race. 12. "I Didn't Know" - Taking love for granted could result in really feeling your heart break. 13. "Stars" - Totally alternative. A beautiful love song for dreamers. 14. "Take Some Time" - A simple song about uncomplicating the need for wars from a different point of view. Jerry brings over twenty years experience of playing on the road, living hard, living free, the ups and downs and the all arounds to every song. If you want to know more about Jerry, listen to his music. We think you'll become close friends.
