Music is a gift that reflects emotions of the past, present, and the future. Subtle Changes does just that. It has soothing and gentle melodies. If the mood is reflection, meditation, or just daydreaming, this CD has it all. 9 MP3 Songs NEW AGE: New Age, EASY LISTENING: Mood Music Details: Since Hurricanes Katrina and Rita hit Louisiana, lives have been turned upside down and the losses have been devastating. Lives, plans and daily life, as we knew it have been changed. With any tragedy and devastation, lessons are taught and learned. The greatest gift that comes from this is our ability to see the tragedy for what it really is and the fruits that it may bare. This is the story with the cd, Subtle Changes. This is the first of what I hope to be many recordings. The past events helped us and in particular myself to realize that life is precious, and realizing our gifts and what is important in life should not be on hold. All artist have something to say whether on a canvas or with sound of an instrument. Subtle Changes is music that reflects emotions of the past, present, and the future. This cd was realized and completed after Hurricane Katrina. And like many artist, realizing what is important, we all have something to say.
