

# Mp3 Milton Kerr - Blues Entity

[DOWNLOAD HERE](#)

Traditional blues played in an non-traditional style. 16 MP3 Songs BLUES: Guitar Blues, ELECTRONIC: Experimental Details: Born in NYC, currently living in Central Massachusetts, Milton Kerr has had more than forty years as a composer and musician. His works have included sound tracks for radio plays, ambient music for spoken poem tapes and discs. He founded two bands in Massachusetts, Spinal Cobra and Heavy Angels, and both were involved in radio and television productions. In 1994 he won an award for best Central Massachusetts underground avant-garde televised film. The following year he produced a poetry and music film for another aspiring artist in his area. During the latter part of decade, he produced solo works which were heard on the Internet show " Earoplay." Still active, he still produces solos works and is working with a new band as a producer.
