YEH, YEH, YEH, MAGAZINE "Love your superstar! Murphy demands throwing out his arms to receive your adoration. And you feel it, and you throw it right at him because even if you're normally thinking of another superstar, right then and there he's the only one. And all of this goes on with the master of the stage smiling, looking oddly shy and like there's nowhere else he'd rather be. Consequently you are feeling the same way. It's a beautiful thing." THINKING ABOUT NEW YORK MAGAZINE.
