Electronic Gothic / Pagan / Industrial 10 MP3 Songs ELECTRONIC: Industrial Details: The Soul Takers are an unusual 5 piece electronic band. 4 women and 1 guy. We have been playing for 3 years in the UK. All band members are Pagans and this has had a big influence on the music. Our sound is Gothic / Industrial with a difference. We have two CD's out at the moment and another coming out shortly - called Pagan Moon The CD Ritual is a mixture of dark gothic sounds with industrial upbeats.
