MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hardcore Rap Details: Bio sheet of SEAN "ST" TURNER 804 Graymont Drive Mobile, AL. 36608 251-344-3492 * Sean Patrick Turner was born on December 24, 1970 to Clennon and Ellen Turner. Sean has one sibling, a sister, Shannon, six years younger than he. Sean now has a loving wife, Yolanda, and no kids at the present time. * A native of Mobile, Alabama, Sean drew his first breath at Providence Hospital. * Hair: Black; Eyes: Brown; Height: 5'9" * Sean says his earliest source of inspiration is his parents, who taught him about goals, "believing in the possibilities of even the smallest idea. Eventually, if you follow your dreams, you will find yourself there in the midst of them." * Musical inspiration, influence and direction belong to L.L.Cool J and The Isley Brothers. * In addition to vocals, Sean also plays drums and keyboards. Sean will write songs for other artists. * Nowadays, Sean says, "L.L. Cool J continues to inspire me. I suppose it has to do with his overall attitude, the positive note he incorporates into his music. He's able to bring it out on a universal level. And that's part of the charm of his staying power." * Past experience includes completing First Album, Promoting CD's, D.J'ing and M.C' ing at parties and local clubs, such as Club Matador, Club Attitude, and Cue Ball- Pool Hall. Sean has also produced a three-song demo. In the future, Sean plans to complete a sophomore album. * The contribution I hope to make to the community is simply, to give back love. As far as a contribution to music-Sean says, "to continue being creative in relation to my personal direction and way of life." * I suppose being around for 32 years now, I have come to realize that plans are made to be broken, but unlike a plan, a goal, a dream, can't be side-stepped.
