Most people in our church say we sound like a Christian Kingston trio. 11 MP3 Songs in this album (30:37) ! Related styles: FOLK: Traditional Folk, SPIRITUAL: Traditional Gospel People who are interested in The Kingston Trio The Brothers Four should consider this download. Details: The ST. James Underground is part of the ST.James choir in Redondo Beach, California. These songs were part of Christmas Concerts we have been performing for many years. Many people had been requesting that we make a CD so they may enjoy our music all year long. Most of our music come traditional folk songs or christian based music.However, much of the music gives the flavor of the 1950's and 1060's.During that time FOLK MUSIC was such a popular genre. My follow members of THE ST. JAMES UNDERGROUND and I hope you will enjoy this CD as much as We enjoyed producing this album.
