A mix from old school to new Country style, but still the Tally sound. A voice that is described as melting followed by goosebumps. Todd's music will relax you and then make you want to get up and dance. 7 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Rock Details: Biography Todd Tally Todd has spent 20 years singing to crowds in several Upstate New York bands, His Background in music goes back even further, his mother, Sandra Lee has been in the Music business for 45 years and is signed to the Gods Child Records Label. Todd's voice can be described as Melting, Warm and tells a story. His reviews from listeners are "his voice gives me Goosebumps", "his voice is very sexy". Todd does sing from the heart and sings with a lot of feeling and believes that's the way it should be. Todd's songwriting style is solid and puts plenty of feeling into all of his music that he writes. With 23 years in the Military Todd has learned discipline and patience and knows most things come at a cost and plenty of hard work. Todd's Career Goals are simple to go as far as he can in the Music Business and to learn as much as he can, and also make a very large impact when he does. And he will. His initial plan of attack is to cut a demo in Nashville, TN. Then begin the Submission Process to record labels then to get signed as an artist. From there cut his first official Album, Tour and open shows for the big names. Todd's desires are of course to headline but knows you have to take back seat for sometime. Todd's business tactics are sound, in a home recording studio he cut his first CD sent the Master to a Duplicating company and burned him 1000 copies for 1000.00 in just one month sold 920 copies his goal was 500 copies selling at the Mall to friends relatives in return word of mouth but most sales came by way of the internet and his personal web page.
