

Mp3 Townsend - Urban/r&b: R&b Pop Crossover

[DOWNLOAD HERE](#)

If you enjoy hip hop and grooves that make you move, this CD is for you. Including the hit single "I Wanna." 10 MP3 Songs URBAN/R&B: R&B Pop Crossover, HIP HOP/RAP: Hip Hop Details: First and foremost I want to thank God for making all of this possible, without him I would not be here today. Secondly, I want to thank Lue Calhoun and the dream team for taking on this project and. Lue, thanks for giving 150 of yourself. You are the one that brought everything together. You have always been there for me! Next, I want to thank Ernest Walker, the man with the plan, literally! Ernest has a big heart and has given his all into my project. My parents have helped me pursue my dream and done everything possible to make my dream a reality. Also, a big thanks to my brother Pierce. I want to thank my grandparents starting with my #1 fan, my grandmother Pat. She has helped me emotionally through all of this. I would not have had the strength to complete this project if she had not been in my life. My grandma Linda has helped me so much with the support I needed. I can't thank her enough. My grandfather Dwayne and my grandpa Frank have always been positive influences in my life. All of my family have always loved and believed in me. I also want to thank my cousin/best friend Bailey (Barrett too!) and every other family member for the love and encouragement they have given me. I want to thank all of my friends for their continuing support and excitement towards my dream. Next, a huge thank you to Bridgette Taylor for helping me vocally and for writing such amazing lyrics. We're both superstars! Glenn GP Piper is the bomb for making these amazing songs. They blew me away. A big thanks to Fenton "F Troop" Fulgham and my talented back up dancers for all of their hard work and effort. Thank you to Tom Mckinney and Barbara Pasternack for helping me with my vocals. Last but not least I would like to thank Andrew and Kelly Tomlinson with Rhythm Nation Studios for the background help I needed to be where I am today.
