The Presence of Angels in Your Life diligently balances the experiential with the Word of God. As one who can see into the spirit realm, coauthor Cheryl Salem regularly observes angels in services praising God, warring against demons, and bringing miracles to people. The Presence of Angels in Your Life brings enlightenment to your mind, heart, and spirit through personal angelic encounters and practical teaching. You will be comforted by the reality of knowing that guardian angels watch over each believer from the womb to paradise and will be touched by the author's honest descriptions of encounters with both the spirit of death and with God's angels who came to escort her daughter to Heaven. God wants you to know and recognize the many great benefits made available to you as His child. In these last days, the onslaught of the enemy is getting more and more intense. You need access to every weapon available, especially the reality of the supernatural realm. This book is a daily guide about how to win the battles the enemy pushes your way and describes how angels are a weapon sent from God to help you fulfill your purpose.
