Twenty two year old Rachel Collins has given up on women following a series of disastrous relationships, never mind that fact that she is gay. When she receives a flattering offer from an attractive man in a café, it sounds like the perfect antidote to her problems, and who knows, maybe going straight might not be so bad after all? Except Simons' idea of how a girlfriend should behave isn't quite what Rachel is expecting and she finds herself embedded in an escalating struggle of control, humiliation and terror. Instead of heeding warnings from her flat mate, she ignores Simon's behavior, determined that this time she will not be left with another failed relationship to her name. But then she meets feisty and sexy Kate, who not only seduces Rachel at work but finally convinces her that being with another woman is just what she really craves. But to be with Kate, Rachel first has to ditch Simon. And Simon is not going to be pleased.
