Despite having to always look over her shoulder in fear of her abusive, stalker ex-husband, dance instructor Deirdre Clarke is working hard to put the past behind her and start a new life. When she finds herself falling in love with her new landlord, Josh Tyler, Deirdre is determined not to allow her emotions to rule her head. But Josh is just as determined to break through the wall Deirdre has erected around her heart. Special Content Alert: BDSM, graphic violence Excerpt: "Raise up your ass!" he ordered, sliding her panties down until they reached her ankles. Not quite understanding, she hesitated and again struggled, only this time to comprehend his words. She felt again the sting of his whip as it fell against her right buttock. A sharp pain passed through her upper thigh. "Raise up your ass . . . raise it high! I want to see your pussy!" She hurried to comply with his wishes, leaning forward until her chest and chin rested against the floor and her ass was lifted in the air. "Yeah, that's it. Oh yeah . . . that's good." She felt something cold and slimy and realized he was applying lubricant to her anal area. She moaned. Could she really go through with this? Could she play this thing out? She remembered the safe word . . . yet knew if she even tried to mouth it through the gag, doing so would end the game. He'd look for someone

else. She couldn't fail him. She wouldn't fail herself. The thought of him fucking her there created an anticipation she had never felt before, and despite her misgivings, her mind screamed the words. Fuck me! Somewhere inside her head, hysterical laughter rose as well, and she imagined her ex-husband witnessing all of this. Josh Tyler's ex-wife's ass exposed to a stranger, her clit twitching, ready to be fucked in the ass by a man who had her tied up like a pig ready for slaughter. She attempted to press her thighs closer together as the ache between them grew more unbearable. She wanted to come. She needed to come. Again, she felt a sharp, sudden sting on her ass and she moaned, the sound strangely muffled by the gag. "You come when I tell you to come, bitch. Not before!" Braddock rubbed her pussy, fingering her clit, as he continued to strike her with the whip. She pressed herself against his palm, the pain and pleasure mingling as she focused solely on her own release. "Yeah, you like that, don't you, bitch? You like it when I whip you and treat you like a whore." He continued to rub her clit while he whipped her, and she rode the alternating waves of pain and pleasure . . . pain and pleasure. Excruciating pain, but she welcomed it, knowing the pleasure that would come after each stroke of the whip. Suddenly the spasms started deep inside, rising to the surface, and continuing until they wracked her body. A low moan escaped through the ball gag. Riding the most intense orgasm she'd ever had, she barely noticed when he moved in behind her. Not until he entered her, his engorged cock spearing her anus in one swift thrust. He slammed into her, his fingernails digging into her hips, but she welcomed the discomfort. That's it. Don't stop. Oh, yes. Totally helpless, unable to see or speak, she repeated the mantra to herself, over and over again. She arched her back, opening herself to him fully as he used her for his pleasure. Suddenly, the image of Josh filled her mind again, and she pictured how he'd react if he were to see her now. Her hysteria rose further and she wanted to laugh out loud, remembering how her ex husband would call her a 'fucking crazy bitch!' Hell, maybe he was fucking right.
