Our nation faces perilous times economic uncertainty, natural disasters, terrorist threats, and an overall spiritual and moral decline. To withstand these storms and keep our nation from falling, we must have a solid foundation for the next generation to build upon. Orphaned by the loss of natural and spiritual leadership, an entire generation is searching for something real to hang onto during life's storms. By demonstrating the love and nature of our Heavenly Father, the people of God can bring hope to a fatherless generation, setting them upon the rock foundation of Christ. Originally published in 1995, Hope for the Fatherless Generation reissues an urgent call to return to our foundations of faith and family, so that the coming generation can face the future with hope and not fear.
